

Board of Crawford County Commissioners

Commissioners' Journal

2019, **EIGHTH** MEETING

CRAWFORD COUNTY COURTHOUSE, COMMISSIONERS' BOARD ROOM
Girard, KS **Friday, February 8, 2019 10:00 AM**

The Crawford County Board of Commissioners met pursuant to Kansas Statutes Annotated Chapter 19, Article 2, Section 18 in due and regular session with open doors. Commissioner Tom Moody served as the presiding officer. Commissioners Bruce Blair and Jeremy Johnson were in attendance. County Clerk Don Pyle and County Counselor Jim Emerson were seated with the Board. Chairman Moody led the pledge of allegiance.

UNDER THE HEADING BUSINESS FROM A PREVIOUS MEETING CONSENT AGENDA

On motion (19-049) of Commissioner Johnson and the second of Commissioner Moody that the consent agenda be approved including:

1. Approval of the **February 5, 2019** minutes of the Board of County Commissioners, and
2. Authorizing the Chairman to sign the previous week's vouchers.

Yeas: Commissioners Moody, Blair and Johnson

Nays:

Present but not voting:

Absent or not voting:

The motion prevailed and the consent agenda was approved.

SIGNING OF MOTIONS

The County Clerk presented the following motions for Commissioners' signatures:

Motion 19	36	That the consent agenda be approved including: Approval of the January 29, 2019 minutes
Motion 19	37	To approve the Engineering Proposal from Cook, Flatt and Strobel, Engineers, PA, for the inspection of 2 Off-System Bridges for a total amount of \$800
Motion 19	38	To approve the January 2019 Clerk's Report as presented
Motion 19	39	To recess this open session and go into a closed executive session for a period of not more than 15 minutes to discuss items that would be

Board of Crawford County Commissioners

		deemed privileged in the Attorney Client Relationship and to include the Board of Commissioners and County Counselor Jim Emerson
Motion 19	40	To appoint Mr. Clint McColm as the Treasurer for the Osage Township Board
Motion 19	41	To appoint Mr. Justin Shaffer as the Clerk for the Osage Township Board
Motion 19	42	To appoint Ms. Cherie Schenker as the Trustee for the Osage Township Board
Motion 19	43	To approve the distribution of funds from the Intellectual Disabilities Fund as presented by the Crawford County Clerk
Motion 19	44	To approve the distribution of the 2019 Special Alcohol Funds with \$6,000 awarded to Crisis Resource Center and \$13,000 to Mental Health Center of Crawford County
Motion 19	45	To approve the distribution of Parks and Recreation Funds for 2019 as presented
Motion 19	46	To approve the distribution of the 2019 Elderly Funds keeping the same amounts as 2018 and adding \$500 to Frontenac Meals on Wheels and \$300 to Pawprints on the Heartland
Motion 19	47	To approve the distribution of the 2019 Historical Funds keeping the same amounts as 2018 except to increase the Arma Library Historical Section amount to \$250
Motion 19	48	To recess this open session and go into a closed executive session for a period of not more than 15 minutes to discuss non-elected personnel and to include the Board of Commissioners and County Counselor Jim Emerson

UNDER THE HEADING NEW BUSINESS

MESSAGES FROM THE PUBLIC:

Item One: Mr. Mike Williams, Senior Energy Executive, Pro Energy Solutions addressed the Commissioners. He stated that Pro Energy Solutions is a natural gas provider that will bill the county separately for the use of gas. He presented information on his company to the Commissioners and went through the documentation with the Commissioners. Mr. Williams explained the cost comparisons with Kansas Gas Service Company and Pro Energy Solutions. He stated if they purchase natural gas from Pro Energy Solutions a bill will still be received from Kansas Gas Service for meter reading and transportation charges. He informed the Commissioners of local businesses and public entities that his company contracts with. Commissioner Johnson was answered that purchasing natural gas from his company is allowed by state statute. Mr. Williams stated that his company offers a 12 month contract with auto renew and 60 day opt out and that this contract can be modified. Chairman Moody requested that County Clerk Don Pyle obtain a list of the contracts currently held in our area with Pro Energy Solutions and speak with a few of the businesses and public entities and County Counselor Jim Emerson review the contract that Mr. Williams provided him.

KANSAS

Customers Across the State

For years, Pro Energy has been helping Kansas Farmers, Irrigators, Hospitals, Hotels, Restaurants, Manufacturers and other businesses cut natural gas costs. Whether you are buying from your local utility or a third party supplier, we want the opportunity to earn your business!

Board of Crawford County Commissioners

**KANSAS NATURAL GAS DEREGULATION
KANSAS GAS SERVICE NATURAL GAS TRANSPORTATION PROGRAM**

Your facility might qualify to utilize Transportation Gas, a cost saving program offered by Kansas Gas Service for qualifying commercial customers that use 800 Mcf, approximately \$5000, in a 12 month period.

Pro Energy Solutions can supply your natural gas requirements through the Kansas Gas Service system at a significant cost savings. Kansas Gas Service is still your utility company and is still responsible for reading the meter, delivery through their system and any problems that you may have. Pro Energy Solutions becomes your natural gas supplier but at a cost savings.

AVERAGE GAS COST/Mcf	KGS	PRO ENERGY SOLUTIONS
2018	\$4.723	\$3.143
2017	\$4.724	\$3.486
2016	\$4.012	\$3.011
2015	\$5.094	\$4.162
2014	\$5.961	\$5.083
2013	\$5.354	\$4.246
2012	\$4.561	\$3.342

Please complete the enclosed usage release and I will prepare a no risk, no obligation natural gas quote and cost comparison analysis for your review.

**MESSAGES FROM OTHER GOVERNMENTAL ENTITIES
MESSAGES FROM ELECTED OFFICIALS
MESSAGES FROM APPOINTED OFFICIALS**

Item One: Mr. Ed Fields, Noxious Weed Director addressed the Commissioners. Mr. Fields introduced himself to the new Commissioners and stated that he is the Crawford County Noxious Weed Director and that he is also the Treasurer of the Southeast Kansas Weed Directors and President of the SEK Weed Managers. Mr. Fields discussed the noxious weed law. He stated that in Kansas it is required to maintain or prevent 14 different varieties of noxious weeds but only 5 types of these weeds are in Crawford

Board of Crawford County Commissioners

County. He explained the duties of his department and discussed the equipment rental program and the sale of chemicals to save the taxpayers money. Mr. Fields stated that he works with all the incorporated cities and the unincorporated areas in Crawford County to maintain control of the noxious weeds. Mr. Moody stated that Mr. Fields has made his department into one of the top Noxious Weed departments in the State of Kansas.

CRAWFORD COUNTY

2019 Annual Noxious Weed Eradication Progress Report

Board of Crawford County Commissioners

NOXIOUS WEED CONTROL ON COUNTY LAND

Johnson Grass

Johnson grass on County Right-of-Way and other County Lands will be treated as follows:

- a. The County Roadside will be patrolled on a continuous day-to-day basis
- b. All Johnson Grass found will be treated by one of three methods:
 1. Johnson grass found in a good stand of Fescue will be treated with Out Rider or a compatible chemical at label rate.
 2. Johnson grass found in a situation other than a good stand of grass will be treated with glyphosate.
 3. UTV will be used as extra unit to treat Johnson grass on all right of ways.
 4. All paved residence roads will use Out Rider or selective chemical only.

Field Bindweed

1. The County Roadside will be patrolled on a daily basis and the Bindweed infestation will be recorded and treated as soon as possible.
2. Field Bindweed will be treated on a periodic and timely manner with an adequate chemical, not usually carried on the spray truck

Musk Thistle

All County Roadsides will be patrolled early in the growing season to locate any infestation of Musk Thistle

Any Musk Thistle found will be recorded and treated as soon as possible

Bull Thistle

All County Roadsides will be patrolled early in the growing season to locate any infestation of Bull Thistle

Any Bull Thistle found will be sprayed according to label rate

Sericea Lespedeza

1. All County Roadsides and County owned land will be patrolled and mapped to locate any infestation and treatment will be handled in a timely manor.

Invasive species (Japanese/Bohemian; knotweed)

18 separate locations were treated in 2018, locations were recorded and transferred to Kansas Department of agriculture. We have for the past six years treated these 18 locations, throughout the last six years we have successfully controlled these locations but not totally eliminated the species. The major threat has been contained but new locations have been found and have been added to the treatment schedule.

Note:

While patrolling the roadside for the above five noxious weeds an eye will be kept open for any other noxious weeds and invasive species. If any are found, they will be taken care of if budget is there to do so.

Board of Crawford County Commissioners

NOXIOUS WEEDS ON STATE RIGHT-OF-WAY AND OTHER STATE LAND

A. Johnson Grass on State Right-of-Way

1. We were not offered the contract for noxious weed control on the state highway for this current year.
The contract was given to a commercial firm.
2. We will monitor their performance and make sure all noxious weeds are controlled

B. All other noxious weeds on state highway lands will be treated as set out in Item "A" above

The only other state land in Crawford County is located at Farlington Lake and Crawford State Park No.1 along with two mine land areas.

These properties are patrolled periodically for noxious weeds and the findings are reported to the area manager.

There is a small infestation of Kudzu at the fish hatchery located at Farlington lake. This infestation is old and is being monitored. There does not seem to be any seed production and the size of the patch is controlled by water and mowing on three sides.

NOXIOUS WEED CONTROL ON PRIVATE LAND

A. Johnson Grass

1. Johnson Grass on private land will be surveyed during the daily patrol of the county roadside
2. All infestations of Johnson grass on private land will be monitored to see if there is any effort being made toward control. Johnson Grass in Crawford County has two classifications:
 - a. In or near crop land: This is our primary concern....the land owner is personally contacted as soon as it is evident that the problem is being neglected. This approach has worked well.
 - b. Non-Crop land: This is classified as pasture or marginal land. Johnson grass in these areas are treated with less concern that those in crop lands. The land owner is contacted and direction is given for control.
Chemical control for Johnson grass will be as recommended by State Board of Agriculture.
3. Chemicals will be cost shared to the land owner 75% plus handling fee.
 - a. **Chemicals are not sold on a demand basis. An actual infestation of Johnson grass needs to be seen or have previous knowledge by the Weed Director before the chemical is sold.**
At this point only enough product will be sold for the particular situation.
 - b. Roundup is not cost shared until after the first of June each year. This is to discourage usage for other than noxious weed control.
 - c. Fusion , Plateau and Out Rider is the only other chemical costs shared by the county for Johnson Grass found in crops or infested areas.

Board of Crawford County Commissioners

B. Bindweed

1. Field Bindweed is treated in the same manner as all other noxious weeds. Infestations are checked during the regular patrolling of the county road system
 - a. 24D is the chemical cost shared for Bindweed at a rate of 75% plus handling fee

C. Musk Thistle

1. So far in Crawford County, Musk Thistle has been controlled by the use of Milestone, 24D and Escort hand digging with the land owner's cooperation and help
Milestone, 24D are used when plant is in bolt, spring treatment requires ½ ounce of Escort and fall treatment requires 24D

D. Canada Thistle

1. There is only two known Canada Thistle patch in Crawford County and it was sprayed with Milestone and 24D in the late spring of 2017 There were a few plants treated in 2018. This particular patch will continue to be monitored. The second area was treated with Milestone at a rate of 6oz for the last 3 years.
- 2.

E. Bull Thistle

1. Bull Thistle being in its sixth year we are making progress, reoccurrence of bull Thistle is reoccurrence is much less than musk. We continue our efforts in containing this problem.

NON-NOXIOUS WEEDS

A. Non-Noxious weeds and brush are treated differently each year which is dependent upon the budget

1. During most of the past years, spraying around most bridge guard rails when the chemical is available for such weed control
2. There are several miles of new guard rails along strip mine pits and these are sprayed on an as-needed. The chemical most commonly used is Sahara
3. The Crawford County Weed Department also does some winter-time basal bark spraying with Garlon 4, Accet, and diesel fuel. This also is dependent upon the budget
4. Also the ongoing control of Japanese Knot Weed is part of every year spraying.
5. As of 2012 the County Commissioners ask to advise them on a right of way maintenance plan. My dept wrote and conveyed said plain to road and bridge employees.
6. We carried on with the program with a Highway Road and Bridge Department holding another meeting to educate and evaluate right away control.
7. We tested a new method on brush and tree control using (Kernite) for controlling trees overhanging roads.

CITY LANDS

A. Noxious weeds in the two larger cities (Pittsburg and Girard) are maintained by the city or by private land owners.

Once a year the county will make a survey of these two cities and any noxious weeds that are not being controlled will be referred to the land owner.

Board of Crawford County Commissioners

- B. The other remaining towns (incorporated and unincorporated) will be surveyed annually and in most cases the noxious weeds will be treated by the County. These small towns neither have the finances or the equipment to control such noxious weeds.

SURVEY

- A. The survey will be conducted as recommended by the State Board of Agriculture. A new mapping system is currently being developed to better define the infestations on private land. This process is aided by the use of maps made available through the Zoning Office, the G.I.S. Department, and the S.C.S.

OUTREACH

- A. The Crawford County Weed Department is currently involved with monthly Radio spots with KKOW
- B. Test plots in conjunction with K-State, Pittsburg State University, Dow, and Bayer for Sericea Lespedeza , Johnson Grass and Knotweed.
- C. Informational presentations to schools and organizations
- D. Past and current President of Southeast Kansas Weed Management Area.
- E. Past President of Southeast Kansas Weed Directors.
- F. Working with Bayer as an advisory on new Chemicals

SUMMER HELP

- A. Set in part time help for summer of 2018

Extra Work

- A. Work with Pittsburg recycling on their HHW program. Maintain all EDU programs.
- B. Maintain contact with Road and Bridge on reseeding grasses in areas requested.
- C. Regulate the mowing for the courthouse grounds.
- D. Plant and maintain all flower beds on courthouse grounds.
- E. Trim trees and maintain mulch on courthouse grounds.
- F. Fertilize and spray grass on courthouse grounds.
- G. Implement and supervise the road and bridge crews for the brush cutting program.

Board of Crawford County Commissioners

FACILITIES

- A. The Crawford County Weed Department has recently moved to a new facility at 121 ½ North Ozark. A bullpen was added to the east side of the building to house the rental equipment. There will be some enhancements in the near future. Ongoing enhancements have been made to make more efficient work place.

PERSONAL OCCUPATIONAL RESPONSIBILITES

- A. All possible efforts to maintain the department continues on the cutting edge
1. Attend all District Meetings
 2. Attend Annual Conferences
 3. Attend all Extension Service meetings
 4. Built Rental Spray Unit and established Spray Rental Program
 5. Attend (when possible) Supplier and Manufacture Seminars
 6. Establish contract spraying (5 or less acres) for control of noxious weeds for Crawford County land owners.

Ed Fields, Crawford County Weed Director

We certify this to be a true and exact copy of the Crawford County Annual Noxious Weed Management Plan as required by K.S.A. 2-1317 and due on June 1, 2019

Crawford County Commissioner, Chairman Date 2/8/19

Crawford County Commissioner Date 2/8/19

Crawford County Commissioner Date 2/8/19

On motion (19-050) of Commissioner Moody and the second of Commissioner Blair to approve the 2019 Crawford County Annual Noxious Weed Eradication Report.

Yeas: Commissioners Moody, Johnson and Blair

Nays:

Present but not voting:

Commissioner Johnson asked about local preference in bidding. Mr. Moody stated that there is nothing set in stone but normally if the bid is close the Commission goes with the local bid. Mr. Emerson stated that a policy on local bids would be a good idea. The Commission requested that Mr. Emerson and Ms. Alyssa Edwards, Road & Bridge Coordinator review the bids and come back with a recommendation.

PROCLAMATION AND ORDERS OF THE BOARD NEW BUSINESS

Item One: County Clerk Don Pyle addressed a document he received from County Sanitarian Mr. Bill Towery on a new lagoon at the Humane Society. Mr. Moody would like Mr. Towery to attend a meeting to speak with the Commissioners.

Board of Crawford County Commissioners

Item Two: Mr. Pyle stated that he was contacted by a representative from Westar requesting the Commissioners sign a Construction Damage Settlement on a pole installed at the Homer Cole Center stating there is no damage since Crawford County is the owner of that building. Mr. Emerson will look over the release and have Maintenance Supervisor Robert Gorentz inspect the property and speak with the manager of the building. Mr. Moody discussed a pole on the southeast corner of the Homer Cole Center that has created a blind spot at that intersection.

Item Three: Mr. Pyle stated that Live Well Crawford County Director Brad Stroud contacted him to remind the Commissioners of the ABC Regional Active Transportation Plan Unveiling at Bourbon County Court House on February 12, 2019 at 1:00 PM in which they would like the Commissioners from Bourbon, Crawford and Allen Counties to attend and sign documentation. Mr. Pyle will forward the email to the Commissioners.

Item Four: Mr. Pyle stated that he contacted Mr. Jay Byers about a work session with a tentative date of February 22, 2019 but would check schedules before finalizing a date. The Commissioners stated that an hour work session beginning at either 8:30 or 9:00 AM.

Board of Crawford County Commissioners

Item Five: Mr. Pyle addressed SEK Inc having a monthly meeting at Kendall Packaging on Tuesday, February 19, 2019 at 11:30 with a presentation and luncheon at a cost of \$15 per person. He will forward the email to the Commission.

Item Six: Mr. Moody discussed a meeting with City of Frontenac in reference to the County Surveyor. Mr. Moody explained that the County Surveyor is a shared employee with the City of Frontenac and Crawford County. He stated that the meeting will be held on Wednesday, February 13, 2019 and he and Mr. Emerson will attend. Mr. Moody will report on the meeting to the other Commissioners.

UNDER THE HEADING OLD BUSINESS

Item One: Mr. Pyle stated that the new Osage Township Board will hold a township meeting on Tuesday, February 12, 2019 and Mr. Pyle stated he will attend to swear in the new officers.

EXECUTIVE SESSION:

Item Three: Commissioner Tom Moody requested an executive session for 15 minutes to discuss non-elected personnel.

On motion (19-055) of Commissioner Moody and the second of Commissioner Johnson to recess this open session and go into a closed executive session for a period of not more than 15 minutes to discuss Non-Elected Personnel and to include the Board of County Commissioners and County Counselor Jim Emerson and to reconvene by 11:43 AM.
Yeas: Commissioners Moody, Johnson and Blair
