MT. OLIVE CEMETERY

Located in NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Sect. 32, Twp. 30 S., Rge. 25 E, in Pittsburg, Kansas.

This is 1 mi S and less than $\frac{1}{2}$ mi E of Fourth & Broadway, Pittsburg, Kansas, on S. side of Quincy St., which is also a county mile road.

The cemetery was platted in four sections, as follows:

I. Mt. Olive Cem. Assn., Geo. W. Williams, pres., and R. E. Carlton, sec'y., filed original plat 1st Sept. 1888. Beginning at SE cor of NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Sect. 32-30-25, W 1000', N 800', E 1000', S 800' to beginning.

II. Filed 16th Apr. 1908. Beginning 30' S of NE cor of NW $\frac{1}{4}$ 32-30-25, S 506' to N line of Mt. Olive Cem., W 457.7', N 506' to S line of Quincy Ave., E 457.7' to beginning.

III. Filed 10th Feb. 1916. Beginning 30' S and 457.7' W of NE cor of NW $\frac{1}{4}$ of Sect. 32-30-25, S 505.5' to N line of Mt. Olive Cem., W 288.3', N 505.2' to S line of Quincy Ave., E 288.3' to beginning.

IV. Filed 11th Sept. 1916. S 211' of following tract: Beginning 380' E of NW cor. of NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Sect. 32-30-25, S 196', E 189', S to N line of orig. part of Mt. Olive Cem., W along N line 244', N to point 328.8' E of NW cor. of NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Sect., E 51.2' to beginning.

Although we did not find a plat in the Register of Deeds office for the newer part W of the W driveway, the caretaker, Harold Napier, explained how this was laid out. Block 37 was increased in size at the N end to line up with the present E-W driveway through between Blocks 35 & 36. Then the block north of 37, extending N to Quincy St., is Block 39. The center of the large circle in the older S part of the cem., surrounded by lots 17, 18, 19 & 20 was designated as Block 38

Mrs. Reid McKinney of Pittsburg, Kans., copied much of the older part of this cemetery, which was more difficult to copy, and graciously offered to let us use her copy in this book. This was the last cemetery in Crawford County to have been copied, and without her wonderful assistance it would have been many months before this book could have been finished. The following shows the blocks copied by Mrs. McKinney and by William Cuthbertson:

Copied by Mrs. Reid McKinney: (copied S to N, beginning with W row)
Blocks 1-9, 11, 17-20, 38. (Pages 1-88, 95-99, 149-156)

Copied by William Cuthbertson: (copied in order described in each row)
Blocks 10, 12-16, 21-37, 39. (Pages 89-94, 100-148, 157-277)

Mrs. McKinney also searched old records held by the cemetery association, and included these along with her copy of the tombstones. In some instances she found that dates of death from burial records and stones did not agree. She noted that quite a number of lots in this cemetery were purchased by Crawford County for county burials.

We appreciate the excellent cooperation we received from Mr. Harold Napier, superintendent of this cemetery, throughout our work on this project.

Early dates of birth and death noted in Mt. Olive Cemetery: (may be others)

Early Birth Dates: (before 1810)

 44 Roy, Elizabeth 1809-1896

Early Death Dates: (1888 and earlier)

The first plat of this cemetery, as previously noted, was filed Sept. 1, 1888. Mrs. Reid McKinney found that the first burial, according to official records, was on June 3, 1888, the John Gaines family, two graves, also a Gaines on June 25, 1888, all in Lot 1, Block 10.

The following list of deaths which occurred 1888 and earlier likely includes many who were moved from other early burial places; but it should be kept in mind that sometimes "memory" stones were erected to persons who died elsewhere.
