ST. MARY'S CATHOLIC CEMETERY  
(Pittsburg, Kansas)

Located in the SW corner of Sect. 32-30-25, which is 2 mi. S of the intersection of 4th Street and Broadway in Pittsburg, Kans., on the NE corner of the intersection.

This cemetery is cared for by St. Mary's Catholic Church of Pittsburg, and is separate from the Highland Park Cemetery which adjoins it on the E, and from the old Pittsburg (Hobson) Cemetery which adjoins it on the N, although there is practically no visible barrier between them.

Although we have not found a plat of this cemetery, we can guess its approximate size from the plats of Highland Park and Pittsburg (Hobson) Cemeteries. (See map included with Highland Park Cemetery records.) We estimate the size to be 317 ft. E-W including a 39 ft. set-back from the middle of Broadway, and about 792 ft. N-S.

The entrance is from Centennial Drive which is on the S. end of the cem., and the driveway divides it into a west part and an east part, leaving a small circle in the center, around which the driveway divides, where Catholic priests are buried. At the N end the driveway turns E and follows the N boundary of the cem. to exit at the NE corner of the cem. into Highland Park Cem.

In Highland Park Cem., the S part of Sect. 2, adjoining St. Mary's Cem. on the E, and all of Sections 3 and 10, have been set aside for Catholic burials, exclusively. There are also some Catholic burials in other parts of Highland Park Cem.

Location of Ledin Grave-Take main road into St. Mary's cemetery you will be going west, when you make the curve you will be going south, go almost halfway to the priest's circle, the grave will be on your right hand or west side, it will be several spaces into the cemetery, it should be almost right in line with the storage shed which sits in the south west portion of the cemetery. An orange flag was placed by the grave on 11-25-03.

Look for a "Miller" Stone next to the road  
her grave + marker will be straight west of  
it. Sec 1, Bl 2
