Individuals who wish to have their name listed on the official meeting agenda should please call the County Clerk's Office (620-724-6115) by 12:00 p.m. on the day preceding the meeting at which they wish to appear. Individuals are welcome to appear without their name on the agenda. Advance notification simply makes it easier for the County Clerk's Office to prepare the agenda. Thank you. If you are an individual with special needs, please contact the County Clerk's Office in advance of your attendance at the meeting so any necessary arrangements can be made.

Southeast High School seniors Julie Martin and Megan Colvin recently qualified to compete at the 2019 Technology Student Association National Conference in Washington, D.C. this summer. Due to the high cost of this trip, we will need to raise approximately \$4,000 to attend. Students are participating in fundraising for the next 2 weeks, as we need to let the state know that we can represent Kansas at the conference.

Southeast High School TSA has qualified for nationals every year since beginning the club. Students from Southeast have won the TSA state championship in Digital Video Production for 6 straight years. Our students have continued that success at the national conference, placing 7th in the nation in 2015, 5th in the nation in 2017, and 4th in the nation in 2018 in the Digital Video Production category. Our students do a great job of representing our small area schools and communities at the national conference.

We appreciate your consideration in supporting these students. Without support from the community these students would not have an opportunity to prove they can compete at the national conference. If there is anything we can do to support your organization in the future, please let us know.

Sincerely,
