#### MESSAGES FROM CRAWFORD CO LOCAL BOARD OF HEALTH

**Item One:** Ms. Rebecca Adamson, County Health Officer, regarding COVID-19 update. She stated that there are 3 new cases in Crawford County today and there has not been a press release issued yet on these cases. She discussed some questions she has received on social distancing and being exposed to a positive case. She also discussed a local food processing plant that have had employees test positive and what is being done. Ms. Adamson explained that the food processing plants are essential businesses and will not be shut down. She stated that she has offered to test all the employees in that plant but the plant corporate officials denied her request at this time. She stated that the offer is still out there to test all the employees if the plant should change their mind. She discussed the testing of asymptomatic people which is not recommended at this time but the Health Department and Community Health Center of Southeast Kansas are testing asymptomatic individuals. Ms. Adamson stated that the plant is being very proactive in preventing the spread and are following KDHE guidelines, CDC guidelines and Department of Agricultural guidelines. She stated that Crawford County is following the 4 metrics which are increases in death, ability to test, hospital capacity and ability to isolate and quarantine through public health and until we are unable to meet those 4 metrics, she does not see the need to be more restrictive. She stated she believes that within the next couple of weeks she expects a peak but after that it should start declining. Ms. Adamson explained that the new cases are not severely ill and not all the new cases are related to the food processing plant. Commissioner Johnson stated he does not understand KDHE not testing all the employees of the food plant. Ms. Adamson stated that there is not an approved test for asymptomatic individuals and stated that KDHE's perspective is to isolate positives and quarantine exposures. Ms. Adamson stated that it is up to the individual to keep themselves safe and she wants the public to know that the Health Department is doing everything humanly possible to keep this contained. She stated that she knows that everyone is scared but to please remain respectful. She explained that there are currently no individuals in ICU or on a ventilator in Crawford County due to COVID-19.

This Agreement consists of the body and the following: CONDITION LETTER (attached hereto as Attachment A), SPECIAL CONDITIONS (attached hereto as Attachment B), and the Grantee's APPROVED PROJECT APPLICATION (incorporated by reference as Attachment C, a copy of which shall be maintained and available in the Department's files) and the GRANTEE HANDBOOK (which is incorporated by reference as Attachment D).

## **II. Authority**

- A. This Agreement is financed in part through a grant provided to the Department by the United States Department of Housing and Urban Development (HUD) under Title I of the Federal Housing and Community Development Act of 1974, as amended (42 USC 5301 et. seq.), hereinafter called "the Federal Act." As provided in the Federal Act, the State of Kansas, through the Department, has elected to administer the federal program of Small Cities Community Development Block Grants.
- B. Funding for this Agreement was made available through the Coronavirus Aid, Relief and Economic Security Act (CARES Act)(Public Law 116-136) for grants to prevent, prepare for, and respond to coronavirus (CDBG-CV grants).
- C. The Department, in accordance with the provisions of K.S.A. 74-5001 et. seq., hereinafter called "the State Act," has approved the application of the Grantee and awarded funds for the purpose of supporting the Grantee's Community Development Coronavirus Response Program.
- D. In the event of changes in any applicable Federal regulations and/or law, this Agreement shall be deemed to be amended when required to comply with any law so amended.
- E. Federal Program – Community Development Block Grant Cluster (CDBG) (CFDA No. 14.228).

## **III. Description of Activities**

Grantee agrees to perform, or cause to be performed, the work specified in the APPROVED PROJECT APPLICATION.

## **IV. Period of Performance**

The period of performance for all activities assisted by this Agreement shall commence on **JUNE 15, 2020**, hereinafter called the "Commencement Date," and shall be complete on **JUNE 15, 2021**, hereinafter called the "Completion Date," except those activities required for close-out and final audit.

## **V. Compensation**

- A. In consideration of the Grantee's satisfactory performance of the work required under this Agreement and the Grantee's compliance with the terms of this Agreement, the Department shall provide the Grantee the total sum of **\$132,000** in Community Development Block Grant funds. Such funds shall be used by the Grantee in accordance with the Activities listed and budgeted on the APPROVED PROJECT APPLICATION and the CONTRACT PROJECT BUDGET FORM.

- C. It is expressly understood and agreed that in no event will the total program funds provided by the Department exceed the sum of **\$132,000**. Any additional funds required to complete the program activities set forth in this Agreement will be the sole responsibility of the Grantee, and not the responsibility of the Department.

# Board of Crawford County Commissioners

- D. The Grantee understands that this Agreement is funded in whole or in part by federal funds. In the unlikely event the federal funds supporting this Agreement become unavailable or are reduced, the Department may terminate or amend this Agreement and will not be obligated to pay the Grantee from State revenues.
- E. In the event any portion of any funds required to be provided by the Grantee pursuant to subsection (B) of paragraph V. are not made available or used for activities as listed and budgeted, the Department may, in its discretion, withdraw or reduce proportionately the funds to be provided to the Grantee pursuant to subsection (A) of paragraph V.
- F. The Grantee shall not anticipate future funding from the Department beyond the duration of this Agreement and in no event shall this Agreement be construed as a commitment by the Department to expend funds beyond the termination of this Agreement.

## **VI. Indemnification**

The Grantee shall indemnify, defend, and hold harmless the State and its officers and employees from any liabilities, claims, suits, judgments, and damages arising as a result of the performance of the obligations under this Agreement by the Grantee or any subgrantee, contractor, subcontractor, or person. The liability of the Grantee under this Agreement shall continue after the termination of the Agreement with respect to any liabilities, claims, suits, judgments, and damages resulting from acts occurring prior to termination of this Agreement.

## **VII. Obligations of Grantee**

- A. All of the activities required by this Agreement shall be performed by personnel of the Grantee or by third parties (subgrantees, contractors, or subcontractors) under the direct supervision of the Grantee and in accordance with the terms of written contracts. Any such contracts may be made subject to approval by the Department.
- B. Except as may otherwise be provided in the SPECIAL CONDITIONS, the Grantee may subgrant, contract, or subcontract any of the work or services covered by this Agreement.
- C. The Grantee shall remain fully obligated and liable under the provisions of this Agreement, notwithstanding its designation of any third party or parties for the undertaking of all or any of the program being assisted under this grant.
- D. The Grantee shall require any third party to comply with all lawful requirements necessary to ensure that the program is carried out in accordance with this Agreement.
- E. The Grantee shall comply with all timelines for completion of Grantee's Environmental Review and contracting responsibilities as established by the Department in the CONDITION LETTER.

## **VIII. Environmental Review Compliance**

- A. The obligation and utilization of the funding assistance is subject to the requirements for a release of funds by the State under the Environmental Review procedures at 24 CFR Part 58 for any activities requiring such release.
- B. The Grantee agrees to assume all of the responsibilities for Environmental Review, decision making and action, as specified and required in Section 104(g) of Title I of the Housing and Community Development Act of 1974 (Public Law 93-383), as amended. The Grantee shall not allow any subrecipient to assume the grantee's Environmental Review responsibilities.

## **IX. Program Costs**

- A. The Grantee may only incur such costs as are reasonable and necessary to the Grantee's Program and as are allowable under the Department's Procedures (2 CFR Part 200). Cost items not specifically authorized may only be incurred after written approval by the Department.
- B. Cash and in-kind contributions made by the Grantee shall follow the criteria established by the Department's Procedures.

## Board of Crawford County Commissioners

- C. The total "Small Cities CDBG-CV Funds" expended for "Administration" shown in the Contract Project Budget Form shall not exceed the approved amount unless amended by all parties to this contract.
- D. The Grantee shall not incur costs on any program activity until the Environmental Review required by 24 CFR 58 has been completed and the Department has issued the "Notice of Release of Funds."
- E. Any program activities performed by the Grantee in the period between notification of award and execution of this Agreement shall be performed at the sole risk of the Grantee. In the event this agreement should not become effective, the Department shall be under no obligation to pay the Grantee for any costs incurred or monies spent in connection with program activities, or to otherwise pay for any activities performed during such period. However, upon execution of this Agreement, all Program Costs incurred in connection with approved activities performed during this period shall be reimbursed in accordance with the terms and conditions of this Agreement.
- F. Grant funds may not, without advance written approval by the Department, be obligated after the Completion Date except for those activities required for close-out. Obligations incurred prior to and still outstanding as of the Completion Date shall be liquidated within ninety (90) days.
- G. At any time during the period of performance under this Agreement, and upon receipt of the progress and financial reports, Final Program Report or Final Audit Report, the Department may review all Program Costs incurred by the Grantee and all payments made to date. Upon such review the Department shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of approved expenditures; and shall, by written notice specifying the disallowed expenditures, inform the Grantee of any such disallowance.
- H. If the Department disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, the Department may deduct the amount of disallowed costs from any future payments under this Agreement or require that the Grantee refund the amount of the disallowed costs.

### **X. Requisition of Grant Funds**

- A. Requisitions for cash advances shall be made on the established forms and shall not ordinarily be made more frequently than twice a month or in amounts less than \$3,000 and in no cases more than \$200,000.
- B. The Grantee shall establish procedures to ensure that any amounts of cash in excess of the limits set forth in (A) above shall be expended within three (3) days of receipt of the funds in the depository account.
- C. Cash advances made by the Grantee to subgrantees shall conform substantially to the same standards of timing and amount as apply to the Grantee under this Agreement.
- D. Amounts withheld from contractor to assure satisfactory completion of work shall not be paid until the Grantee has received a final payment request from the contractor and has certified the work is complete and satisfactory.
- E. The Department may terminate advance financing and require the Grantee to finance its operations with its own working capital should it be determined that the Grantee is unwilling or unable to establish procedures to minimize the time lapsing between cash advances and disbursement. Payments to the Grantee would then be made only as reimbursement for actual cash disbursements.

### **XI. Depositories for Program Funds**

- A. The Grantee shall maintain a separate record for money received under the Community Development Coronavirus Response Program. Into this fund shall be deposited:
  - 1. Moneys received from the Department.
  - 2. Program income earned through program activities.
- B. Any interest earned, prior to disbursement, on advances of grant funds shall be remitted to the State for subsequent return to the United States Treasury.

# Board of Crawford County Commissioners

## **XII. Financial Management**

- A. Grantees shall establish and maintain a system which assures effective control over and accountability for all funds, property and other assets used in the Community Development Coronavirus Response Program.
- B. Grantees shall either adopt the system recommended by the Department or certify to the Department, in writing, prior to making the first requisition of funds that the alternative system proposed for use shall meet the following standards:
  - 1. Maintenance of separate accounting records and source documentation for the Community Development Coronavirus Response Program;
  - 2. Provision for accurate, current and complete disclosure of the financial status of the Program;
  - 3. Establishment of records of budgets and expenditures for each approved activity;
  - 4. Demonstration of the sequence and status of receipts, obligations, disbursements and fund balance;
  - 5. Provision of financial status reports in the form specified by the Department;
  - 6. Compliance with the Department's audit requirements (2 CFR Part 200); and
  - 7. Consistency with generally accepted accounting principles as specified by the Kansas Department of Administration, unless a waiver of GAAP has been received by the Grantee from the Kansas Director of Accounts and Reports.

## **XIII. Monitoring and Reporting**

- A. The Grantee shall monitor the activities of the Community Development Coronavirus Response Program, including those of contractors and subcontractors, to assure that all program requirements are being met.
- B. The Grantee shall submit progress and financial reports to the Department in accordance with the schedule set forth in the SPECIAL CONDITIONS. These reports shall be in a format prescribed by the Department.
- C. The Grantee shall submit a Final Program Report with the close-out no later than ninety (90) days following the Completion Date.
- D. From time to time, as requested in writing by the Department, the Grantee shall submit such data and other information as the Department may require.
- E. Failure to report as required or respond to requests for data or information in a timely manner may be grounds for suspension or termination of the Grant.

## **XIV. Procurement Procedures**

- A. The Grantee shall use established procurement procedures which reflect applicable State and local laws and regulations and the Department's Procedures for the establishment of procurement systems.
- B. These standards do not relieve the Grantee of any contractual responsibilities under its contracts. The Grantee is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements entered into support of a grant. These include but are not limited to source evaluation, protests, disputes, and claims.

## **XV. Bonding Requirements**

- A. When administering federal grants and subgrants, a Grantee may follow its own requirements and practices with respect to: (1) bonding of employees and contractors, and (2) insurance. Federal grantor agencies are not permitted to impose requirements beyond those listed below. The government-wide grants management common rule, "Uniform Administrative Requirements for Grants to State and Local Governments," contains bonding requirements only for circumstances when a grantee contracts for construction or facility improvement (including alteration and renovation) and the bids and contracts exceed \$25,000. The following types of bonds are required in the "Procurement" section of the common rule:

# Board of Crawford County Commissioners

- A 100 percent “performance bond” on the part of the contractor to secure fulfillment of all the contractor’s obligations under the contract; and
  - A 100 percent “payment bond” on the part of the contractor to assure payment, as required by law, of all persons supplying labor and materials as part of work provided under the contract.
- B. The Department reserves the right to promulgate and enforce bonding procedures and requirements applicable to any project.
- C. All bonds shall be procured from a surety company registered and licensed to do business in the State of Kansas and countersigned by its Kansas resident agent.

## **XVI. Program Income**

- A. Program Income, as defined in the Final Statement, means gross income earned by the Grantee from activities supported by grants made by the Department under the provisions of the Federal Act, or as otherwise defined by the Department.
- B. All Program Income from a project funded by this Agreement may be retained by the Grantee (unless specified as a Special Condition to this agreement) and shall be added to funds committed to the support of the program established by this Agreement or for such eligible program activities as may be authorized by the Department. This income shall be disbursed to the maximum extent feasible prior to requisitioning additional funds under this agreement.

## **XVII. Program Close-out Procedures**

- A. Program close-out is the process by which the Department determines that all applicable administrative and financial actions and all required work of the program including audit and resolution of audit findings have been completed or that there are no additional benefits likely to occur by continuation of program activities or costs. All findings from Department monitoring visits must be cleared prior to close-out.
- B. The Completion Date is the date specified in Section IV., Period of Performance, of this Agreement or amendment thereto, on which assistance ends for all program activities except those required to complete the close-out or the date on which the grant is suspended or terminated.
- C. The Grantee shall submit to the Department close-out documents covering the entire program within ninety (90) days of completion date. Additionally, one copy must be placed where other program documents are available for public review, and at least one copy must remain in the Grantee’s files. The Department may grant extensions to the time for submission of these documents when so requested by the Grantee in writing.
- D. The Department retains the right to recover any appropriate amount of unobligated program funds.
- E. The Grantee shall account for any property acquired with grant funds or received from the federal or state government in accordance with the Department’s property management procedures.

## **XVIII. Termination for Convenience**

- A. The Department or Grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the program would not produce beneficial results commensurate with the further expenditure of funds.
- B. The two parties shall agree upon the termination conditions, including the effective date and, in the case of partial terminations, the portion to be terminated.
- C. The Grantee shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible. The Grantee shall be allowed full credit for noncancelable obligations, property incurred prior to termination.

# Board of Crawford County Commissioners

## **XIX. Suspension or Termination-for-Cause**

- A. The Department may suspend the grant, in whole or in part, at any time during the Grant Period, and upon reasonable notice to the Grantee withhold further payments or prohibit the Grantee from incurring additional obligations of grant funds when it is determined that the Grantee has failed to substantially comply with the conditions of this Agreement. This will be done pending corrective action by the Grantee or a decision by the Department to terminate the grant. The Department shall allow all necessary and proper costs which the Grantee could not reasonably avoid during the period of suspension.
- B. The Department, after reasonable notice following procedures pursuant to Final Statement may terminate the grant, in whole or in part, at any time during the Grant Period when it is determined that the Grantee has failed to substantially comply with the conditions of this Agreement. The Department shall promptly notify the Grantee in writing, of the determination and the reasons for the termination, together with the effective date and may initiate procedures to recapture all funds advanced to Grantee.
- C. Payments made to the Grantee or recoveries by the Department under grants which have been suspended or terminated for cause shall be in accord with the legal rights and liabilities of the parties.

## **XX. Audit Requirements**

- A. The Grantee shall arrange for the performance of annual financial/compliance audits of the grant project. All audits must be performed by an independent qualified auditor. The audit period is identical with the Grantee's regular fiscal year. The audit(s) will be conducted in accordance with the requirements set forth in the audit section of the Kansas CDBG Handbook, which are based on 2 CFR Part 200.
  - 1. If the local government expends \$750,000 or more of Federal grant assistance from all programs, it must have an annual audit performed in accordance with 2 CFR Part 200. An audit is a financial and compliance audit that covers the entire operations of the local government, rather than being limited to the CDBG project or other Federal grants.
  - 2. If the local government expends less than \$750,000 in a fiscal year, it will be the option of the Department of Commerce to determine if a project specific audit will be required. If such audit is required, it will be procured and paid for by the Department.
  - 3. Grantee's will be required to submit the "audit information form" to the Department of Commerce each fiscal year. This form must be submitted to the Department by or before May 15th of each fiscal year.
- B. Grantees are required to submit one copy of a fiscal year audit report covering the program. The audit reports shall be sent within 30 days after the completion of the audit, but no later than the nine months after the end of the audit period unless agreed to by the Department.
- C. If any expenditures are disallowed as a result of the Final Audit Report, the obligation for reimbursement to the Kansas Small Cities Community Development Block Grant Program shall rest with the Grantee.

## **XXI. Retention of and Access to Records**

- A. Financial records, supporting documents, statistical records, and all other records pertinent to this program shall be retained in accordance with the Department's Procedures.
- B. Authorized representatives of the Department, the Secretary of HUD, the Inspector General of the United States, or the U.S. General Accounting Office shall have access to all books, accounts, records, reports, files, papers, things, or property belonging to, or in use by, the Grantee pertaining to the administration of this Agreement and the receipt of assistance under the Community Development Coronavirus Response Program as may be necessary to make audits, examinations, excerpts, and transcripts for a period of three years after the entire State CDBG grant year Grantee was awarded from has been closed out by HUD.
- C. Any contract or agreement entered into by the Grantee shall contain language comparable to subsection (B) so as to assure access by authorized parties to the pertinent records of any subgrantee, contractor, or subcontractor.

# Board of Crawford County Commissioners

## **XXII. Conflict of Interest**

- A. In the procurement of supplies, equipment, construction and services by Grantees and subgrantees, the conflict of interest provisions of the Kansas Department of Commerce as provided at 2 CFR Part 200 shall apply.
- B. No member of the Governing Body, officer or employee of the Grantee, or its designees or agents, or any other person who exercises any functions or responsibilities with respect to the program assisted by this Agreement during his tenure or for one year thereafter, shall have any direct interest in any contract or subcontract, or the proceeds thereof, for the work to be performed in connection with the program.
- C. The Grantee shall incorporate, or cause to be incorporated, in all third party agreements, a provision prohibiting such interest pursuant to the purpose of this Section.
- D. The Grantee shall not employ, nor shall permit any third party to employ any employee of the Department.

## **XXIII. Equal Opportunity**

In addition to all equal opportunity provisions and the Assurances incorporated by reference herein, the Grantee agrees to comply with all of the requirements of the Kansas Acts Against Discrimination relating to fair employment practices, to the extent applicable and shall cause the foregoing provisions to be inserted in all contracts with third parties for any work covered by this Agreement so that such provisions will be binding upon such third parties.

Grantee will conduct and administer the grant in conformity with Title VI of the Civil Rights Act of 1964 (42 USC 2000d et seq., as amended) and the Fair Housing Act (42 USC 3601-20) and will affirmatively further fair housing.

## **XXIV. Waiver of Enforcement**

A waiver by the Department of the right to enforce any provision of this Agreement shall not be deemed a waiver of the right to enforce each and all of the provisions herein.

## **XXV. Reversion of Assets**

- A. Consistent with the provisions at 24 CFR 570.703, the Grantee shall transfer any CDBG funds on hand at the time of expiration of the Agreement and any accounts receivable attributable to the use of CDBG funds to the Department.
- B. Any real property under the Grantee's control that was acquired or improved in whole or in part with CDBG funds in excess of \$25,000 shall be used for its original intended purpose for five years after expiration of the agreement. Should the Grantee fail to utilize said property for its intended purpose, the Grantee shall pay the Department an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property.

## **XXVI. Budget Amendments and Other Changes**

- A. During the implementation of the grant project, the Grantee may revise the CDBG activities amounts in the CONTRACT PROJECT BUDGET FORM; provided that:
  1. The cumulative effect of the revision is to not make line item budget transfers which exceed ten percent of the total grant or \$10,000 cumulative of CDBG monies, whichever is less.
  2. The change does not increase any professional services of the CDBG approved budget;
  3. The change will not significantly change the scope, location or objectives of the approved activities; and
  4. The change does not add or eliminate any activity.
- B. Any such changes to this Agreement shall constitute an amendment, including time extension of the completion date.

# Board of Crawford County Commissioners

C. The Grantee shall notify the Department if, through the use of other funds, there is an intention to expand, enhance or add to the scope of the program covered by the Agreement, or there is a proposal to undertake activities that will have an impact upon the buildings, areas or activities of this program. The Department reserves the right to require an amendment to this Agreement if such is deemed necessary.

D. Amendments to the terms and conditions of this Agreement shall not become effective unless reduced to writing, applicable standard forms submitted in duplicate, passed by Resolution of the governing body, and signed by the duly authorized representative of the Grantee, and signed by the Department.

E. I hereby certify that I have knowledge of all activities in the above-referenced grant. I also certify that I am aware that the regulations of the CDBG program prevent the use of any facility built or rehabilitated with CDBG funds, or any portion thereof, to be used for the conduct of official business. By accepting the above-referenced grant award, I certify that no portion of the above grant award violates this regulation.

*Copies or originals of all CDBG recipient files and documentation must be maintained at the recipient's principal place of business.*
