TO: The Commissioners of Crawford County

From: Crawford County Fire Fighters Assn.

After receiving some rainfall in Crawford County and the fact that vegetation is greening up it is the opinion that it will be safe to lift the Burn Ban.

However, if conditions become less favorable the Burn Ban will have to be re-instated.

Also, we need to remind everyone to follow the Crawford County Open Burning Guidelines and the Kansas Open Burning Guidelines as well.

Rules and Regulations concerning Open Burning are explained in the guidelines.

Persons wishing to conduct an open burn need to notify the Crawford County Sheriff Dept. before they start a fire and to check local conditions.

Sincerely,  
Chief Rodney Pulliam
